This tournament is for first time fencers only i.e. Fencers who have been fencing for less than one year and have not been to a tournament before. Our hope is that this will be a good way to introduce new fencers to the exciting world of tournament fencing.

Clubs that are sending more than 3 fencers will be expected to provide help in conducting matches and assisting fencers in their preparations.

Since this is a first time tournament and many fencers do not yet have their own equipment there is an expectation to share the equipment that we have available.

The format of the tournament will be one round of pools (bouts to 5 hits) followed by a number of direct elimination bouts (bouts to 10 hits in two periods of 3 minutes) to be determined by the Technical Director.

Fencers should bring a water bottle and a light lunch since there will not be a canteen.
