This tournament is for first time fencers only i.e. Fencers who have been fencing for less than one year and have not been to a tournament before. Our hope is that this will be a good way to introduce new fencers to the exciting world of tournament fencing.

Since this is a first time tournament and many fencers do not yet have their own equipment there is an expectation to share the equipment that we have available.

The format of the Competition will be one round of pool play followed by a number of direct elimination matches to be determined by the Technical Director.

Fencers should bring a water bottle and a light lunch since there will not be a canteen.
